

# FORT SILL FCU TABLET APP OVERVIEW

## Downloading our Tablet App

The Tablet App is available for Apple, Android and Amazon tablets and can be downloaded from the Apple App Store, Google Play Store or the Amazon App Store.

You can search for Fort Sill Federal Credit Union or FSFCU to locate the app in any of the above app stores.

### Fort Sill FCU Tablet Banking

Fort Sill Federal Credit Union Finance

 Everyone

 This app is incompatible with all of your devices.

 Add to Wishlist

We are proud to offer our members an Online Banking app specifically designed for your Android tablet. Check your balances, make and schedule transfers, pay your bills or send money to a friend. It's quick, easy and more convenient than ever using your tablet. It's one more way we strive to help you reach financial success.

## Logging in

Once downloaded, you will be asked to log in using the same username (User ID) and password you currently use for the full Online Banking (OLB) website.

Our Tablet App supports multiple user logins on one device. So you, your spouse, parents, or children can all access the app using your own set of login credentials.

Once you log in, you will be asked to authenticate by answering one of your challenge questions. Upon answering the challenge question correctly, you will be asked for your password to complete the login process.

The screenshot shows the mobile app's login interface. At the top, there is a red header with the Fort Sill Federal Credit Union logo, which includes a star and the text "Fort Sill FEDERAL CREDIT UNION A Community Credit Union". Below the header is a blue bar with the text "Log In" in white. The main content area is white and contains a "User ID:" label followed by a text input field. Below the input field is a "Remember Me" label next to a green toggle switch that is currently turned on. To the right of the toggle switch is a grey "Log In" button.

## Accounts Page

After you have logged in successfully you are presented with the Accounts page. There are several things to notice here....

- On the left hand side is the Accounts List. This list can be expanded and collapsed by tapping on the >> at the top of the list and dragging left or right. The Account List will show all of the same accounts and balances that the full OLB site does.
- In the middle of the page is the Account History. Tapping an account from the Accounts List will display that account's history in this section. On the right is the balance of that account and viewing past transactions is done by simply scroll up through the history. When the bottom of the history is reached, simply pull up on the history to load more.

## Bill Pay and Popmoney

Selecting the Payments option from the top will give you the choice to access either traditional Bill Pay or Popmoney. You can view your payees, by taping on the Pay option or view your current payments by clicking on the Scheduled option.

All of your current payees are available to you in Bill Pay and Popmoney. Simply tap on the payee to pay them.

To pay a payee, select which account you want to pay from, an amount to pay and the date you want to pay it. Tap the Schedule payment at the bottom to complete the payment.
