Make Your Vehicle Look Just Like New!

IWS RestoraGuard is an industry-leading, 'A' rated insured vehicle appearance care service contract that keeps the "inside and out" of your vehicle look just like new. This "sign and drive" service contract is available on new or used vehicles up to seven (7) model years old with no mileage restrictions. The benefits of this "wear and tear" coverage include:

Paintless Dent

Removal of minor dents and creases up to 4" in length or diameter caused by normal wear and tear on all exterior sheet metal or aluminum painted body panels.

Cosmetic Alloy Wheel Repair

Repair or reconditioning of the cosmetically damaged portion of the wheel caused by normal wear and tear resulting from contact with a road hazard.

Interior & Exterior Surface Repair

Interior includes: Cleaning, repair, reconditioning or replacement of the vehicle's original interior surfaces damaged as a result of normal wear and tear, specifically permanently stained fabric seats, carpet, dashboard, pigmented door trim, consoles and/or leather/vinyl become permanently stained, refer to contract for specific coverages.

Exterior includes: Reconditioning of the Vehicle's factory painted exterior clear coat surface(s) as the result of damage caused by normal wear and tear, including UV exposure that results in general fading, chalking, loss of gloss, oxidation or if the Vehicle becomes damaged by the environment; specifically by weather induced acid, rain, bird droppings, tree sap, insect damage, road salt or de-icing agents, refer to contract for specific coverages.

Availability of specific coverage benefits varies by state and specific IWS RestoraGuard contract. Please refer to your contract for specific coverages and exclusions.
